## Design our Christmas Front Covers

Would you like to see your drawing on the front cover of our December magazines?

If so, this is your chance to see your work in print and seen by all of our readers!

We are offering two children aged 16 and under the opportunity to publish their work on The Listing December front covers.

All you need to do is submit your design to us at The Listing by Monday 1st November 2021.

We have already got the ball rolling

by designing the template for you. All we ask is your design must be Winter or Christmas themed, they can be drawings, photographs the only limit is your imagination! Top tip – look at The Listing covers and think about the space you have available, ensure your image is bright, bold and eye-catching. Also, think of our local area and surrounding villages. So, it could be a drawing of your favourite place wearing a Christmas hat or a picture of local place such as Therfield Heath or the Church decorated with festive lights and decorations. We

will leave the design up to you!
